

MR_analysis

obs_analysis

aggregate_MR

all

```
graph TD; MR_analysis --> aggregate_MR; obs_analysis --> all; aggregate_MR --> all;
```

The diagram is a flowchart with four nodes, each in a rounded rectangle. 'MR_analysis' (yellow border) is at the top right. 'obs_analysis' (red border) is on the middle left. 'aggregate_MR' (green border) is on the middle right. 'all' (cyan border) is at the bottom center. Arrows point from 'MR_analysis' to 'aggregate_MR', from 'obs_analysis' to 'all', and from 'aggregate_MR' to 'all'.
