

MR\_analysis

obs\_analysis

aggregate\_MR

all

```
graph TD; MR_analysis --> aggregate_MR; obs_analysis --> all; aggregate_MR --> all;
```

The diagram is a flowchart with four nodes, each in a rounded rectangle. At the top is 'MR\_analysis' (cyan border). Below it is 'aggregate\_MR' (red border), connected by a downward arrow. To the left of 'aggregate\_MR' is 'obs\_analysis' (green border). Both 'obs\_analysis' and 'aggregate\_MR' have arrows pointing to a final node at the bottom, 'all' (yellow border).
